SUMMARY: skilled in responsive UI design, data analysis, and blockchain-based system design

EDUCATIONAL QUALIFICATIONS

- B. Tech in Computer Science & Engineering
VIT Bhopal University, Expected Graduation: 2026, CGPA – 8.75
- 12th Standard
GD Goenka Public School, Jammu - April 2022, Percentage: 80%
- 10th Standard
GD Goenka Public School, Jammu - July 2020, Percentage: 86.4%

SKILLS

Responsive UI Design, SQL & Data Analysis, Blockchain & PC Hardware

PROJECTS

Sales Data Analysis – Walmart Sales Forecasting

- Analyzed large-scale **sales data** to identify **trends**, **seasonality**, and **product performance**.
- Utilized the **Walmart Sales Dataset** from Kaggle for real-world insights (link).
- Applied **SQL querying**, including **filtering**, **aggregations**, and **date-based analysis** to extract meaningful business intelligence.

ChainTrace: Blockchain-Driven Supply Chain

- Developed a **blockchain-based supply chain solution** to enhance transparency, prevent fraud, and enable real-time tracking using smart contracts.
- Designed a **user-friendly interface** for seamless product tracking, verification, and role-based access control.
- Demonstrated **tamper detection** and real-time traceability, validating the system's resilience and reliability in testing.

CERTIFICATIONS

- **web-based training program in Blockchain** - Prolearn Adroit Technologies
- C++ Course: Learn the Essentials - SCALER
- **Foundations of Digital Marketing and E-commerce**- Google

PROFESSIONAL EXPERIENCE

Advanced PC Assembly & Blockchain Integration

- Built and optimized custom **high-performance PC** systems specifically designed for **blockchain technology applications**, including **Bitcoin** and **Ethereum mining**, demonstrating deep knowledge of **GPU configurations** and **hardware compatibility**.

Active Member of Hospitality Team at AdVITYa 2024(Techno Cultural fest of VIT Bhopal University)

- Demonstrated **strong interpersonal** and **organizational skills** while managing hospitality services during a **large-scale techno-cultural fest**.
- Effectively **collaborated** with team members to ensure **smooth guest coordination** and **event support**.
- Gained practical experience in **event hospitality management** and **team communication** under **high-pressure environments**.
